President's Message Fall 2022

Dear Section Members,

This Fall, the Carolinas AIHA celebrates our 50th year anniversary. This is a major milestone that is worthy of highlighting here. Most of us go through our entire industrial hygiene career not knowing the number of lives we have sustained, improved, or saved. If we use a very basic (and likely underestimated) assumption that 200 industrial hygienists in North and South Carolina have improved the lives of 50 employees annually over the last 50 years, that equates to 0.5 million people being positively impacted by our IH efforts. There are few professions that can show this type of lifetime benefit to others with the type of work they do every day. I am proud of what we do and our profession; I hope you are too.

A huge thanks also goes to everyone that has helped support the Carolinas AIHA section the last 50 years. Whether you have been a board member, a speaker, a vendor, an attendee, sub-committee member, donated items or your time, your contribution has propelled this organization and helped to maintain its vitality over the last 5 decades. We look forward to your ongoing input and contribution to

Thank you for all that you do.

Kind regards,

Sandra Y. Smith

eLearning Subscription 2022

Welcome to the 2022 eLearning Subscription!

AIHA Carolinas access has been established for the 2022 eLearning Subscription program in the online classroom and you can begin viewing content now. **Please note that this program runs from January 2022 through December 2022.**

Here are the action items to take this month to maximize your participation in the program:

1. Login to the [online classroom](#) and verify that you see a tab to access your group's content. If you do not see this tab, please get in contact with us so we can research the issue. If you don't know your login credentials, please use the forgot password link on the login page to have them sent to you.
2. Review the information posted on the [2022 eLearning Subscribers page](#). Here you will find information about upcoming live webinars, OnDemand content already added to your classroom, accessing your AIHA transcript and FAQs about using the system. We have already added several OnDemand sessions, so feel free to start checking those out! Bookmark this page in case you need to review it later.

We're looking forward to another program year! Expect to receive communications from us once a month with any program updates.
